OUR SCORE RANGE MEAN?

Since the SAT is a single score, the range of scores is not meaningful. However, your scores may vary slightly within a short time, and the range given. College ranges along with your scores.

HOW DO YOU COM
Percentiles compare the test. The percentile indicating that you scored higher than 82% of college-bound seniors is 82, indicating you scored higher than 43% of last year's group of college-bound seniors.

This is to certify that this is a student score report on the SAT Reasoning test and / or SAT Subject test. The SAT test is a U.S. standardized test that is primarily a multiple-choice aptitude test intended to measure the skills necessary for undergraduate study.
